Call for Abstracts

Dear Colleagues,

We look forward to welcoming you to the **19th European Meeting on Complement in Human Diseases (EMCHD2024)** in the beautiful Hanseatic city of Lübeck from September 2nd - 6th 2024.

On behalf of the local organizing committee, I cordially invite you to actively contribute to the program of the 19th European Meeting on Complement in Human Diseases (EMCHD2024) by submitting an abstract. Abstract Topics are: Complement activation and regulation | Complement crosstalk | Complement diagnostic and biomarkers | Complement genetics | Complement in infection | Complement in non-communicable diseases | Complement structure and function | Complement targeting in the clinic | Emerging and other topics | Intracellular complement functions | Preclinical models of complement-related diseases | Function and targeting of the anaphylatoxins and their receptors

All information necessary for the submission of abstracts including the guidelines, is available on the conference website: www.emchd2024.org/submissions

All abstracts will be reviewed by ECN board members. Notifications will be sent no later than June 30, 2024. All accepted abstracts will be published by European Journal of Immunology (EJI) in the EMCHD 2024 Abstract Book.

We look forward to welcoming you in Lübeck in September 2024!

Prof. Dr. med. Jörg Köhl
Conference Chair

Director
Institute for Systemic Inflammation Research (ISEF) | University of Lübeck, Germany
