# Call for Late-Breaking Abstracts

Dear Colleagues,

We look forward to welcoming you to the **19th European Meeting on Complement in Human Diseases (EMCHD2024)** in the beautiful Hanseatic city of Lübeck from September 2nd - 6th 2024.

On behalf of the local organizing committee, I cordially invite you to actively contribute to the program of the 19th European Meeting on Complement in Human Diseases (EMCHD2024) by submitting a late-breaking abstract. Abstract Topics are: Complement activation and regulation | Complement crosstalk | Complement diagnostic and biomarkers | Complement genetics | Complement in infection | Complement in non-communicable diseases | Complement structure and function | Complement targeting in the clinic | Emerging and other topics | Intracellular complement functions | Preclinical models of complement-related diseases | Function and targeting of the anaphylatoxins and their receptors

All information necessary for the submission of late-breaking abstracts including the guidelines, is available on the conference website: [www.emchd2024.org/submissions](http://www.emchd2024.org/submissions)

All late-breaking abstracts will be reviewed by the Local Organizing Committee. Notifications of the acceptance of your abstract will be sent no later than July 15, 2024. Accepted abstracts will be considered for poster presentation only. They will be published by the European Journal of Immunology (EJI) in the EMCHD 2024 Abstract Book.

We look forward to welcoming you in Lübeck in September 2024!
